MATERIAL SAFETY DATA SHEET

MANUFACTURER IDENTIFICATION
Manufacturer's Name:
Oxford Biomedical Research, Inc.
2165 Avon Industrial Dr.
Rochester Hills, MI 48309
Telephone Number: (248) 852-8815
Toll Free: (800) 692-4633
Facsimile: (503) 852-4466
Trade Name: GSH/GSSG Ratio Assay Kit
Catalog Number: GT 40

HAZARDOUS CONTENT IDENTIFICATION
There are no known hazards associated with the contents of this kit at the concentrations and quantities present.

PHYSICAL AND CHEMICAL CHARACTERISTICS
Water solubility: Yes
Appearance: Solid and liquids
Storage conditions: Refrigerate

PHYSICAL HAZARDS
Reactivity: Stable
Incompatible with: N/A
Conditions to avoid: N/A
Hazardous decomposition products: None
Hazardous polymerization: Will not occur

HEALTH HAZARDS
Primary route of entry: May be harmful by inhalation, ingestion, or absorption.
Toxicity data: The toxicological properties of the kit reagents have not been thoroughly investigated.

FIRST AID MEASURES
In case of contact with eyes or skin, flush with plenty of water and seek medical attention if needed. If inhaled or ingested seek medical advice.

FIRE AND SPILL MEASURES
Extinguisher media: Non-combustible. Use extinguishing media appropriate to surrounding areas.
Unusual fire/explosion hazards: N/A
If material is released or spilled: Avoid contact and contain spill.
Clean up of spill site: Wear personal protective equipment. Absorb on paper towels or other absorbent material. Wash spill site after material pickup is complete.
Waste disposal methods: Dispose of waste in accordance with all Federal, State and local regulations.

PRECAUTIONS FOR SAFE HANDLING AND USE
Respiratory protection: N/A.
Ventilation: Suggested.
Personal protective equipment: Laboratory coat, gloves and eye protection recommended.
Work practices: Follow standard good laboratory practices. Safety shower and eye bath required.
N/A = Not applicable or no information found.

The information contained in this MSDS is believed to be correct to the best of our knowledge. However, we make no warranty, expressed or implied, with respect to such information. The information may not be all-inclusive. The user should make an independent determination of the suitability of the information based on all sources available and adopt appropriate safety precautions. Oxford Biomedical, Inc. shall not be held liable for any damage resulting from contact or handling of this product.
